Joshua Galvin @ Central Training have the flexibility to work with a salon's bespoke training programme and fit apprenticeships around it. We are now proud to offer Apprenticeships to those aged 25+.

What are the benefits to employers and learners?

- Commercially qualified assessors
- Regular legislation updates including Minimum wage and Health & Safety
- Qualified and motivated team
- Bespoke training including on the job training or day release
- Extra creative experience for all learners including photographic competition sponsored by Wella
- Regular feedback to both employer and learner
- Join our 'Preferred Salon' scheme, entitling salons to many benefits including free recruitment service
- Access to additional training or business support seminars Joshua Galvin @ Central Training may provide
- Free advertisements and exposure on Joshua Galvin @ Central website and 'Central' magazine
- Mentoring support to all learners throughout their study
- Individual Training Needs Analysis to make sure you take advantage of all the training programmes available to you and your business
